

## **Staff Specialist Palliative Care Medicine**

- Part-time opportunity with addition to being on a rotating on-call roster
- Based at Braeside Hospital, Prairiewood, NSW
- HammondCare is a NSW Health affiliated health organisation (AHO) with continuity of NSW Health entitlements.

### **About HammondCare**

HammondCare is a NSW Health Affiliated Health Organisation (AFO) that offers and recognises all NSW Health entitlements.

HammondCare is an independent Christian charity specialising in palliative care, rehabilitation, older persons' mental health, dementia and aged care. Our passion is improving quality of life for people in need. Through our network of sub-acute services HammondCare provides rehabilitation, palliative and supportive care, pain management, mental health care for older people, community care and other vital support services.

With compassion and expertise our multi-disciplinary team of healthcare professionals tailor best-in-class specialised care to patients' individual needs, supported by the latest research and best practice. Regarded nationally and internationally as one of Australia's most innovative health and aged care providers, HammondCare offers hospital care, residential care and community services.

HammondCare's sub-acute health services are located within Sydney at the following locations:

- Braeside Hospital (South-West Sydney),
- Greenwich Hospital (Lower-North Shore),
- Neringah Hospital (Northern Suburbs), and
- Mona Vale Community Palliative Care services (Northern Beaches).

HammondCare has been able to develop innovative, flexible care models designed to serve people with complex health or aged care needs, regardless of their circumstances. HammondCare works to provide its staff with support,

career development opportunities, education, responsibility and recognition, work/life balance, and satisfying roles.

### **About the Role**

The role of *Staff Specialist Palliative Care Medicine* works within the Mission and Mission in Action of HammondCare to ensure that Braeside Hospital Palliative Care service functions in a way that aligns with the Mission, Vision and Mission-in-Action of HammondCare and ensures that the medical and other care provided to patients is of high quality.

This is a part-time position with addition to being on a rotating on-call roster.

The essence of this role:

- Provide demonstrably high quality specialist Palliative Care services. To maintain personal professional competence in Palliative Care;
- To work within healthcare teams and with other senior medical staff in a cooperative and collegiate way, evidencing the Mission, Motivation and Mission In Action of HammondCare
- Undertake teaching of medical students and trainee doctors, and undertake research in Palliative Care as opportunities present

### **About You**

- Commitment to engage and align with HammondCare's Christian Mission, Motivation and Mission in Action.
- Registered as a Specialist Medical Practitioner in Palliative Care Medicine in Australia (AHPRA).
- FRACP or FACHPM or equivalent Consultant qualification.
- Credentialed experience in multidisciplinary specialist practice in inpatient, day hospital, consultative, clinic and community settings.
- Demonstrated strong, effective communication skills.
- Demonstrated ability to work in a team.

- Organisational ability, both personal organisation and ability to supervise.
- Willingness to participate in teaching and research projects.
- Current Driver's Licence.
- Research Qualification (desirable).

HammondCare offers its staff Award-based salaries, excellent training & development opportunities, a supportive environment and a fabulous benefits program. As HammondCare is a NSW Health affiliated organisation, all NSW Health transferrable entitlements will be recognised by HammondCare, in accordance with NSW Staff Specialists' Award and Determination. (State Award). For more information check out our website: [www.hammond.com.au/careers](http://www.hammond.com.au/careers).
