Geriatrician / Palliative Care Physician South West Healthcare Warrnambool

About South West Healthcare

Warrnambool is located in South West Victoria, a 3 hour drive from Melbourne. It is a university city with surfing, outdoor sports, great facilities for kids, live theatre, and award winning festivals. This is a fantastic opportunity to enjoy the great lifestyle and attractions of a major regional city. For more information see: Wonderful Warrnambool @

South West Healthcare (SWH) is the major acute referral site for the South West Region and has a Deakin Clinical School onsite. SWH is the largest employer in the region employing more than 1350 employees.

We are a growing health care facility and are currently seeking funding for stage 2 redevelopment works which will deliver expanded state of the art theatre facilities and best practice models of care to meet the growing needs of the local community.

About our Services

With increased demand and complexity of care the creation of Advance Care Planning Clinic patients will have access to more effective specialised assessment, treatment and care options.

About the role

We are looking for a positive, enthusiastic, team-orientated Specialist Physician who is able to provide high quality clinical and non-clinical services to the benefit SWH patients and our regional community. You will have a recognised post graduate qualification in Geriatric Medicine and a minimum Clinical Diploma in Palliative Medicine, preferably FRACP (Chapter of Palliative Medicine). The ability and drive to contribute to the service development is an important component of the role. Interests in research and education would be desirable.

What we can offer you!

- Opportunities for involvement in clinical research or quality improvement programs
- Outstanding career opportunities
- Salary packaging
- Flexible work arrangements
- Support for your professional development
- Employee Assistance Program
