Vincent's Health Australia is the nation's largest not-for-profit health care provider operating public hospitals, private hospitals and aged care facilities across Queensland, New South Wales and Victoria, along with three co-located research institutes. We pride ourselves on being a clinical and education leader with a national and international reputation in medical research.

St Vincent's Private Hospital Brisbane is a 164 bed private hospital specialising in medical services for those with chronic, complex and multiple health needs. From our established inner-city facilities at Kangaroo Point, overlooking the CBD and the Brisbane River, we offer outstanding inpatient and day services across a broad range of medical specialties including rehabilitation, gerontology, acute medicine, palliative care, interim care and pain management.

Lead by our proactive, forward thinking executive, we are seeking an experienced and suitably qualified **Palliative Care Medicine Specialist** to join our team on a permanent Part-time basis.

The successful candidate will join an innovative, dynamic team of multi-disciplinary professionals who are committed to providing safe and compassionate care, centred on the needs of the patient.

We are seeking candidates who are:

- Registered with AHPRA as a Medical Practitioner (Physician - Palliative Medicine)
- A Fellow of the Royal Australasian College of Physicians (FRACP) or the Australasian Chapter of Palliative Medicine (FACHPM) or equivalent.
- Able to comply with St Vincent's Health Australia requirements for application for credentialing privileges and national criminal history check

What we can offer:

- Competitive remuneration
- Salary sacrificing options to increase your take home pay
- Professional development opportunities
