Palliative Medicine Consultant

Applications are invited for a Palliative Medicine Consultant to work with our dedicated multidisciplinary team in our new community based palliative care service in Western Sydney. The position is available to commence as soon as negotiated.

Silver Chain Group is a not for profit NGO delivering community health care across Australia for over 100 years. They are the largest provider of non-government community based palliative care services across Australia. Silver Chain commenced provision of a 24-hour community palliative care service in Western Sydney in July 2017, based on the successful model used in Perth. This is being provided in partnership with WSLHD. The multidisciplinary community team is led by the Clinical Nurse Consultant Manager.

Position involves

- Provide community clinical palliative care services
- Work closely with the Supportive and Palliative Care Services in Western Sydney and with other specialties to provide integrated care and seamless care transitions.

Come and join a committed, enthusiastic multidisciplinary clinical team including Palliative Medicine Specialists, GPs, palliative care community nurses; assistants in nursing, allied health and spiritual care support. Become part of the larger respected community of Silver Chain Group across Australia, benefitting from their networked and integrated data, IT and education services.

Work Type: minimum of 3 days a week – full time
