

<b>Position Title:</b>	Palliative Care Specialist
<b>Type of Position:</b>	<b>General</b>
<b>Position Description:</b>  (Brief description of RDH, the role and requirements)	<p>The Top End Health Service and Territory Palliative Care are seeking a specialist in palliative medicine. Territory Palliative Care is the exclusive provider of palliative care services to the Top-End of the Northern Territory. The palliative care specialist will assist two other specialists in covering the hospice (12-bed facility), community palliative care including rural and remote, and the consult service covering the Royal Darwin Hospital (RDH).</p> <p>The successful candidate will have an opportunity to work in a supportive multidisciplinary team. The service has excellent junior doctor allocation with two registrars and one resident. Working in the Top-End is an excellent opportunity to enjoy a high job satisfaction combined with excellent lifestyle benefits.</p> <p>RDH is a 345 bed tertiary hospital and level 3 RACP teaching hospital. The hospital services a population of over 140,000 in a catchment area including urban communities, regional hospitals and remote Aboriginal communities. RDH is also a teaching hospital affiliated with Flinders University.</p>
<b>Qualifications:</b>  (Please list anything required for the role)	<p>Applicants must be eligible for Registered with AHPRA as a Medical Practitioner (Physician – Palliative Medicine),            A Fellow of the Royal Australasian College of Physicians (FRACP) or the Australasian Chapter of Palliative Medicine (FACHPM) or equivalent.</p> <p>Able to comply with the Top End Health Service requirements concerning credentialing privileges and national criminal history check</p>
<b>Closing Date:</b>	14/10/2019
