

**Full time or Part-time GP or CMO position**  
**Silver Chain Community Palliative Care Service, Western Sydney.**

Applications are invited for a suitably trained and experienced doctor interested in full time or part time positions in palliative medicine to work with our dedicated community-based multidisciplinary team in Western Sydney. The position is available to commence as soon as negotiated.

**The position involves**

- Providing clinical care for patients in our community palliative care service
- Working with a multidisciplinary team to provide comprehensive care
- Working closely with the Palliative Care and other specialties in Western Sydney LHD to provide integrated and seamless care.

**Essential Criteria**

- Experience with and clinical knowledge in Palliative Medicine.
- Demonstrated skills in coordinating medical care of complex conditions.
- High level interpersonal and communication skills;
- Australian Citizenship or Permanent Australian Residency.
- Valid Australian driver's licence

Silver Chain Group is a not for profit NGO delivering community health care across Australia for over 100 years. They are the largest provider of non-government community based palliative care services across Australia. Silver Chain commenced provision of a 24-hour community palliative care service in Western Sydney in July 2017, based on the successful model used in Perth. This is being provided in partnership with WSLHD. The multidisciplinary community team is led by the Clinical Nurse Consultant Manager.

Come and join a committed, enthusiastic multidisciplinary clinical team including Palliative Medicine Specialists, GPs, palliative care community nurses; assistants in nursing, and allied health staff. Become part of the larger respected community of Silver Chain Group across Australia.
