

## **Nurse Practitioner Palliative Care**

### **Grafton Base Hospital**

#### **Permanent Full Time**

**Remuneration:** \$124,247.61 - \$133,034.48

**Hours Per Week:** 38

**Requisition ID:** REQ168387

#### **What you'll be doing**

The Nurse Practitioner will provide high levels of clinically focused nursing care within the specialty area of palliative care- end of life nursing to improve access of care and address gaps in existing health care services through the provision of a flexible and innovative model of care.

The Nurse Practitioner will provide clinical and professional leadership as an expert in the clinical field and will undertake comprehensive health assessments and collaborate and consult with other members of the health care team to plan, implement and evaluate care. This integrated approach will support best practice and maximise patient care outcomes

#### **Where you'll be working**

*"A healthy community through quality care"*

Northern NSW Local Health District is located in north eastern NSW, extending from Grafton in the south, to Tweed Heads on the Queensland border, and west to Tabulam and Urbenville. Northern NSW offers a diverse range of landscapes and lifestyles, from world-heritage listed mountain ranges, to world-renowned surfing breaks, and everything in between.

Our people live in some of Australia's most vibrant regional centres, with first class infrastructure, unspoilt natural wonders, pristine coastlines, and a thriving arts scene. It's a fast-growing region with rewarding careers and adventures to be found among the large cities, regional towns and relaxed rural villages.
