

PERMANENT CAREER OPPORTUNITY | TAS

# Palliative Care Physician

## TASMANIA

### Wondering if there's more to life than the rat race?

Relocate to stunning Tasmania and join a thriving Palliative Care service that offers variety, professional growth and a real sense of job satisfaction

### About the role

- Blend of hospital, hospice & community settings
- Join two other Palliative Care Physicians and an experienced interdisciplinary team
- Highly competitive salary and benefits + relocation package
- Option to "try before you buy" with a short term locum role

### About you

- FRACP Physician with FACHPM or equivalent Palliative Care qualifications
- Interest, energy and enthusiasm for providing high quality palliative care in a regional setting
- A sense of adventure to relocate to this beautiful corner of Australia and make it your new home

### Sound interesting? Let's talk
