

Nurse Practitioner Hospital Palliative Care Team (HPCT)

- Up to 1.0 FTE
- Auckland City Hospital

This is a great opportunity to use your skills to make a difference in the lives of our whānau!

Ko wai mātou | Our Organisation

At Te Toka Tumai | Auckland DHB we are committed to upholding Te Tiriti o Waitangi and providing culturally safe care. We value role modelling manaakitanga as demonstrated by Ngāti Whātua in the gifting of their whenua on which our hospitals stand. We aspire to having a workforce reflective of the communities we serve and achieving equitable outcomes for all.

Ko wai mātou | Who are we

At Te Toka Tumai, our Hospital Palliative Care team provides high quality, individualised specialist palliative care for patients and their whānau, who have life limiting illness. The Adult Hospital Palliative Care Team is an expert interdisciplinary team of medical and nursing specialists in palliative care, supported by other disciplines, who provide specialist service across 7 days.

Within Te Toka Tumai palliative care is provided by all clinicians as an integral part of their practice and the Hospital Palliative Care Team, using a consult model, provides specialist palliative care. They provide direct management, advice and support for the person, family and whānau, especially for patients who have complex palliative care needs that exceed the capability of the primary treating speciality.

Te whiwhinga mahi | The Opportunity

We have a full-time permanent position (40 hours/week) available for a highly motivated Nurse Practitioner.

In this role the Nurse Practitioner will practise both independently and in collaboration with other health care professionals to promote health, prevent disease and to diagnose, assess and manage health needs.

The Nurse Practitioner will provide a wide range of assessments and treatments interventions, including differential diagnoses, ordering, conducting and interpreting diagnostic and laboratory tests, and administering therapies for the management of actual or potential health needs.

The Nurse Practitioner will work in partnership with individuals, families, whānau and communities across a wide range of settings.

As a senior nurse you will also provide nursing leadership, quality initiatives and contribute to service and directorate development.
