

### **Expressions of Interest – Palliative Medicine Registrar/fellow - Melbourne, Victoria 2023**

St Vincent's Hospital Melbourne Palliative Care Services is seeking suitably qualified advanced trainee in palliative medicine for a senior Palliative Medicine Registrar/Fellow Position in 2023.

An opportunity has arisen to offer a flexible, full/part time position up to 9 months from May 6<sup>th</sup> 2023 to February 4<sup>th</sup> 2024.

We envisage this role will straddle the interface between clinical practice, continuous improvement and research environments, with opportunities to join our chronic illness integrated palliative care clinics, as well as be open to hear of your potential palliative care related projects.

The position will be officially advertised in mid-January 2023. The EOI is open from December 9<sup>th</sup>, 2023 to 6<sup>th</sup> January, 2023, but we are keen to hear from you beforehand to gauge interest.

Please direct your EOI enquiries, with current CV to A/Prof Mark Boughey, Director of Palliative Medicine, St Vincent's Hospital Melbourne, [mark.boughey@svha.org.au](mailto:mark.boughey@svha.org.au)
